(F-5) ITS - Memorandum of Agreement to Provide Managed Network Services to Kannapolis City Schools

Cabarrus County ITS (CCITS) and Kannapolis City Schools (KCS) personnel have been working together to efficiently plan and deploy technology services. A recent retirement of the KCS network engineer has created a challenge for KCS in supporting their voice and data network. This vacancy has given CCITS and KCS an opportunity to review the current KCS network support structure. As an alternative to filling the vacant position, CCITS has offered to provide KCS with managed network services. CCITS will provide KCS with a team of professionals as opposed to one person to proactively monitor, maintain, diagnose and repair the KCS voice and data network. The revenue from the managed services contract will be used to add an additional network technician to the CCITS team. The additional position is required to mitigate impact on the County's network support and services.

UPON MOTION of Vice Chairman White, seconded by Commissioner Burrage and unanimously carried, the board approved the ITS Memorandum of Agreement to provide managed network services to Kannapolis City Schools.

Date: 12/20/2012 Amount: \$42,000.00

(G-1) Human Services - North Carolina Department of Transportation - Public Transportation Division (NCDOT) Section 5311 Grant for the FY 2014 - Public Hearing - 6:30 P.M.

Randy Bass, Transportation Director, advised that the department will apply for grant funding totaling \$721,447 from the North Carolina Department of Transportation - Public Transportation Division (NCDOT-PTD) via the Federal Transportation Administration (FTA) Section 5311 Grant for FY 2014. The grant funds must be designated for the administrative and capital costs associated with Cabarrus County Transportation Services (CCTS). A public hearing on the grant application is required in addition to a 15% match for the administrative grant award, a 10% match for the capital grant award and adoption of the Community Transportation Program Resolution and Human Services Agency Transportation Resolution. The required local match will be included in the Departments FY 2013-2014 budgetary request.

Chairman Poole opened the public hearing at 6:56 p.m. The Public Hearing Notice was published on December 5, 2012 in *The Independent Tribune* in English and Spanish. The Public Hearing Notice was also posted on the County's website (www.cabarruscounty.us) in English and Spanish on December 5, 2012 in accordance with Article 2, Administration, Section 2.1 (Use of Electronic Means to Provide Public Notices) of the Cabarrus County Code of Ordinances.

There was no one present to address the board; therefore, Chairman Poole closed the public hearing.

A discussion ensued with Mr. Bass responding to questions from the board.

Commissioner Burrage expressed opposition to the grant and suggested using one-time funds.

Commissioner Measmer expressed opposition to the grant and suggested the review of transportation programs provided by the county to examine mandated versus voluntary programs.

Discussion continued and it was stated that the programs offered by CCTS would be reviewed along with other county provided services at the Board of Commissioners' retreat in February.

Vice Chairman White **MOVED** to adopt the FY 2014 Community Transportation Program Resolution and Human Service Agency Transportation Resolution. Commissioner Morris seconded the motion.

Chairman Poole advised the grant is designated for the administrative and capital cost associated with the CCTS.

The **MOTION** carried with Chairman Poole, Vice Chairman White and Commissioner Morris voting for and Commissioners Burrage and Measmer voting against.
