

CABARRUS COUNTY FIRE MARSHAL'S OFFICE
PLAN SUBMITTAL FORM

The following plan(s) are being submitted for review (check all that apply):

- Fire Alarm System Plans** – Two complete sets of detailed shop drawings, with device cut sheets and battery calculations and \$180.00 permit inspection fee.
- Sprinkler System Plans** – Two complete sets of detailed shop drawings with approved site plan including hydraulic calculations and \$240.00 permit inspection fee.
- Automatic Fire Suppression System Plans** (hoods, paint booths, etc.) – Two complete sets of detailed shop drawings with system specifications and \$150.00 permit inspection fee.
- Fire Pump & Related Equipment Plans** – Two complete sets of detailed shop drawings with system specifications and \$180.00 permit inspection fee.
- Storage Tank** – Two complete sets of plans including tank specifications, sizes and site plan showing locations from building and property lines and \$150.00 permit inspection fee per tank.

I understand and have complied with the submittal procedures and I further understand that should my submittal package not include all the information requested; my project ***will not*** be processed for plan review.
