

## How to Check Out ePub/PDF Format in Axis 360

1. Before you checkout an ePub/PDF format title from Axis 360 you must have the Adobe Digital Editions loaded on your PC. If you have not loaded Adobe Digital Editions, please go here: <http://www.adobe.com/products/digital-editions/download.html>. These instructions are for Adobe Digital Editions version 2.0.
2. Once your download is completed you may go back to your Axis 360 website to check-out a book. As you hover over the title you want to checkout, you will see the pop-up window that gives you the option to choose a format.

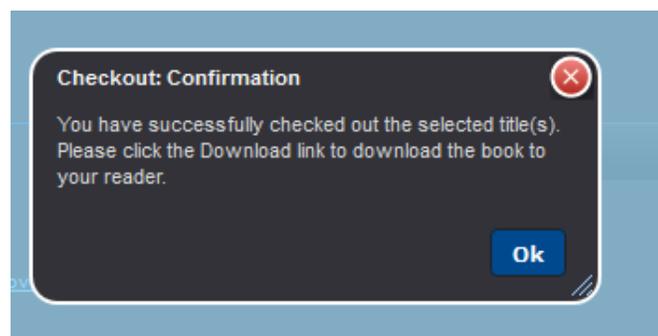

Click on the radio button for ePub and click on “Checkout Now”.

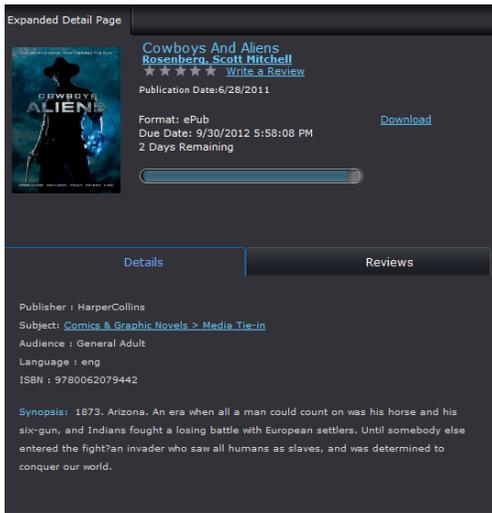

3. You will see the pop-up that asks for your Library Card ID and PIN. Fill in the blanks and click on “Login”

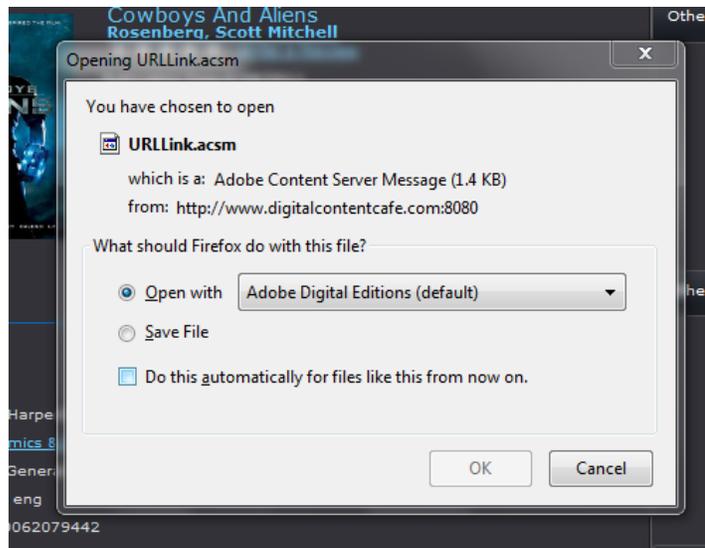

4. You will receive a message that tells you the book has been successfully checked out. Click on “OK”

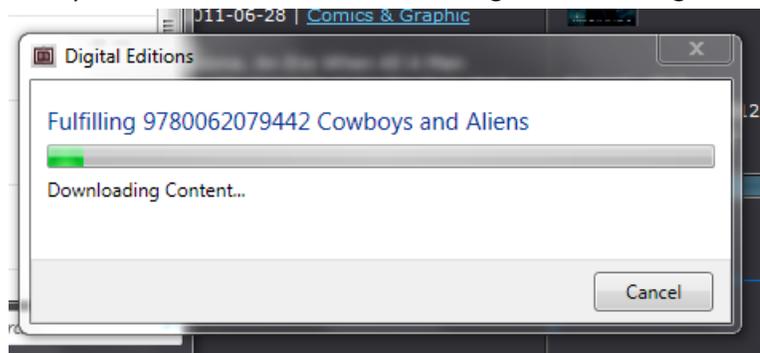

- Please click on the underlined "Download" to start the download process to Adobe Digital Editions.

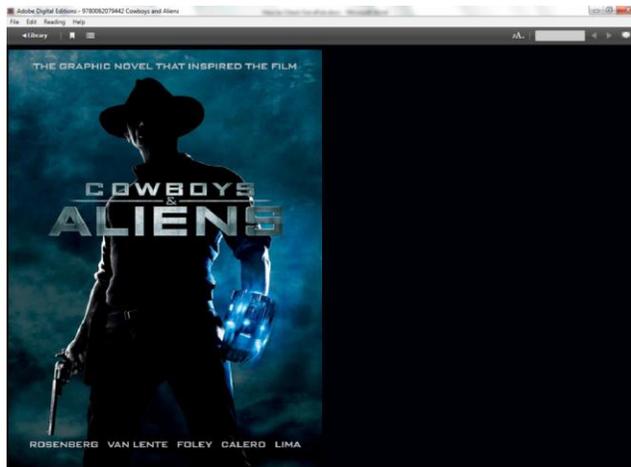

- Your computer will give you the pop-up so that you can tell it where to Open with Adobe Digital Editions and click OK.

- Then you will see the ebook downloading into Adobe Digital Editions

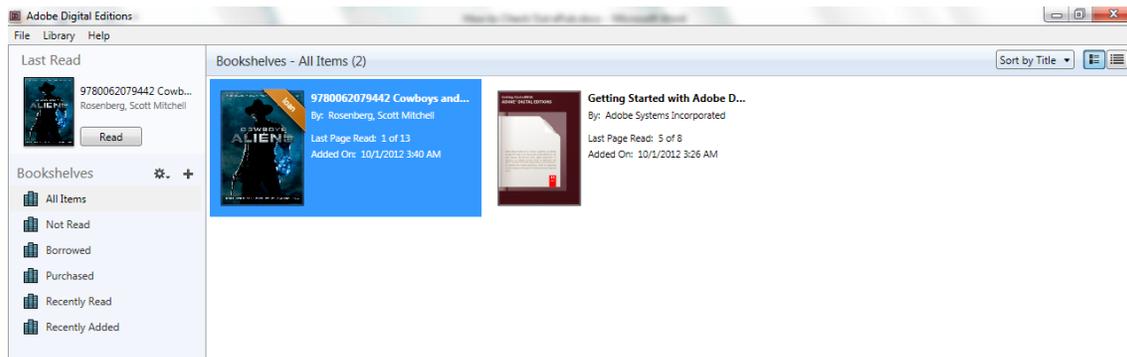

8. When the downloading is complete your ebook will be ready to read from your computer.

9. To read from your device: Plug in your Nook, Color Nook, Sony or Kobo eReader to your computer and launch Digital Editions. Digital Editions automatically detects the presence of your device. After connection, the device appears in the library section. You can transfer items to and from the device just as you do with bookshelves in your library. Once a book is on your device, you can read it on your device or on your computer.

Note: Do not disconnect the device while transferring library items to or from your computer

10. To return your ebook before it is due, close the ebook by clicking on the word "Library" in the top left corner.

11. Then right click on top of your ebook jacket and pull down "Return Borrowed Item". You will receive a message, "Are you sure you want to return this item?" Click "Return." Your item will then be deleted from your bookshelf.
