

Downloading Axis 360 eBooks: Kobo eReader

WHAT YOU NEED: Kobo eReader, the Kobo USB cable, Adobe Digital Editions

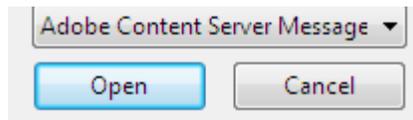

Before you begin, follow the instructions on the PC chart to prepare your PC with Adobe Digital Editions and to access the Axis 360 Magic Wall.

Once you've found a book on the Magic Wall be sure to choose "ePub" format when selecting titles.

Clicking on "Checkout Now" will check out the title for 14 days. You will be prompted to sign in to your Library Account.

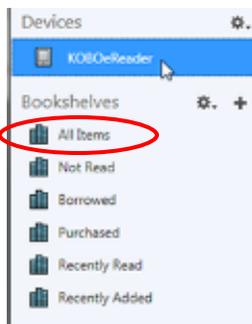

Once you have checked out your item, click on the download link to add it to your computer. From there, go to File in Adobe Digital Editions on the PC and select Add To Library. You may need to switch the file type to:

Connect your Kobo EReader to your PC using the USB cable that came with your device. Digital Editions automatically detects the presence of your device.

After connection, your Kobo appears in the library section. You can now transfer the ebook to your Kobo eReader.

Right-click on the title from your "All items" bookshelf and move to your Kobo eReader.

Do not disconnect the device while transferring library items to or from your computer.

To return an item early in Adobe Digital Editions: Right Click the title you would like to return in ADE and select "Return Borrowed Item".
