

# Downloading Axis 360 eBooks: Nook /Nook Color

**WHAT YOU NEED:** Nook Color, the Nook USB cable, Adobe Digital Editions

Before you begin, follow the instructions on the PC chart to prepare your PC with Adobe Digital Editions and to access the Axis 360 Magic Wall.

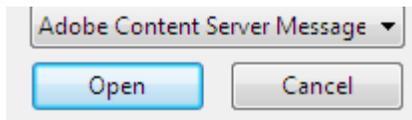

Once you've found a book on the Magic Wall be sure to choose "ePub" or "PDF" format when selecting titles.

Clicking on "Checkout Now" will check out the title for 14 days. You will be prompted to sign in to your Library Account.

Once you have checked out your item, click on the download link to add it to your computer. From there, go to File in Adobe Digital Editions on the PC and select Add To Library.

You may need to switch the file type to:

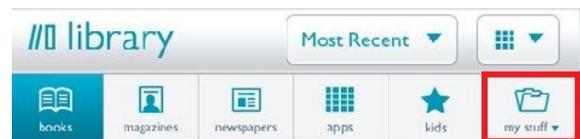

Connect your Nook to your PC using the USB cable that came with your Nook.

Once you have added the book and attached your Nook the item will appear on your PC in the Adobe Digital Editions "All Items" Bookshelf. Right click on the title you would like to add to your Nook, Click "Copy to Computer/Device", and choose "My Nook/NookColor".

Once you have added the book to your Nook you can find it by visiting the Nook's Library. Select "my stuff" on the far right and then choose "My Files" or "Digital Editions".

The book can be found there. Once you have opened the book for the first time it will appear on the carousel on the home screen.

To return an item early in Adobe Digital Editions: Right Click the title you would like to return in ADE and select "Return Borrowed Item".
