(1) Call to Order

The meeting was called to order by Jeff Goforth at 11:00 a.m. in the Cooperative Extension Boardroom.

(2) County Agriculture Development and Farmland Preservation Fund

There was a general discussion among the board members regarding a previously drafted letter to selected local open space protection partners. This letter concerns the county trust fund set up in 2009 to support the local food economy and the purchase of conservation easements using the roll back taxes from land that has come out of present use value program. By consensus, the board decided that the previously drafted letter would be re-written and sent out by Chairman Goforth. Chairman Goforth will mail a companion letter to the County Commission.

(3) Adjourn

UPON MOTION of Ned Hudson, seconded by Vicky Porter and unanimously carried, the meeting was adjourned at 12:05 p.m.
